Neo CN Iwata Airbrush Kit

If you're interested in exploring airbrushing, the [Iwata Beginner Kit with Neo CN](#) is a great entry point. This dual-action, gravity-feed airbrush is easy to use, reliable, and versatile enough for basecoating, layering, and subtle highlights. It's an excellent way to practice smooth transitions and speed up larger paint areas, making it a valuable optional tool for Salamanders or any Space Marine project.

Hobby Supplies

Note: Two or three medium drybrushes are recommended for cleaning, drying, and rotation
